THE LATEST NEWS FROM
THE NEW SCHOOL AT REDLAND BAY

We are excited to announce that our school website is now live. Here you will find the latest news and events, as well as our Expression of Interest Forms. Our website will be updated with the most up-to-date information as we work together to create Redland's newest school.

Whilst we love being Redland's newest school, we are looking forward to our school having its official name. After consultation with the community, our name has been narrowed down to two options and forwarded to the Education Minister for final approval. We look forward to announcing this name as soon as we can.

This week at our fortnightly site visit, we were excited to see some of our paint choices up on the wall. It is incredible to see just how quickly our new school is coming along and we look forward to sharing more updates with you as we progress through the build.
