Scenic Shores State School Dress Code

Scenic Shores State School is a Full-uniform school. Students must wear the complete uniform in accordance with the school routines and this policy.

A Student Dress Code promotes a **safe** and **supportive** teaching and learning environment by

- Establishing a culture of school **pride & high expectations** along with a strong sense of **belonging**.
- Fostering a **mutual respect** within the school by promoting **social equality** amongst all students.
- Improving **student safety** by enabling ready identification of students & non-students at school.

We expect all students in our school community to support the accepted standard of dress when:

- Attending or representing their school;
- Travelling to and from school; and
- Engaging in school activities out of school hours, including school excursions

The 'Student Dress Code' guidelines below, outline standards of acceptable dress and also aspects of the personal presentation of students. This policy has been developed in accordance with the **Education (General Provisions) Act 2006 (Sections 360-363)** and the **Department of Education, Training and Employment's policy: Student Dress Code**.

Dress Code at Scenic Shores State School

Uniform

All uniform items (except white ankle socks and shoes) are to be purchased from the school. Look alike items are not acceptable.

Please note:

- *Visible undershirts or open toed leggings are not permitted to be worn.*
- *In alignment with sun safe practices our school has a bucket hat for all students. Students must wear the Scenic Shores State School hat during outdoors activity. These hats are reversible with the sports house colour on the alternate side.*

School Bags/Library Bag:

During the development and design of the school uniform by the Scenic Shores State School staff and Community Advisory Group, it was decided that an appropriate, highly quality backpack school bag would be part of the Dress Code. The school bag and library bags needed to be identified as ergonomically safe for our students back and shoulders and have clearly marked Scenic Shores State School Logo on the front.

The Library bag available at the Uniform shop is a high quality, waterproof library/homework folder with our school logo on the front. This makes them easily identifiable and offer excellent protection from the weather or any spills for our reading resources, student work and other important documents.

Special Considerations:

- Our school understands and accepts that some cultures, religions and medical conditions have specific dress requirements. Modifications to the uniform that comply with recognised cultures, religious values or medical conditions may be negotiated with the Principal.

Relaxation of the Code:

- Relaxation of the Code will occur occasionally in circumstances such as free dress days, camps, discos and other functions. The school will clearly communicate when this relaxation is applicable.
- On school 'Sport Day' students may wear 'running shoes' that may not comply with our day-to-day shoe attire expectations, after making direct contact with the administration.

Non compliance with Dress Code

Consequences for students not in correct uniform may include the following:

- Students will be provided with the correct uniform to change into for the day
- No hat, no outdoor play (undercover play only)
- Prevention from any activity for which the student would have been representing the school

Persistent failure of a student to uphold the code may result in more serious consequences (as outlined in the Department of Education, Training and Employment's policy: Student Dress Code).

We understand that on rare occasions, due to circumstances beyond the control of the student and/or the student's parent some dress code items cannot be worn. In this instance, students must report to the class teacher or office and provide a note from home explaining the uniform breach and the period for which this will exist.

Community Endorsement of the Code

The Scenic Shores State School P&C supports this Full Student Dress Code.

The group believes that the Code promotes the objectives of Education Queensland (General Provisions) Act 2006 through providing a safe and supportive teaching and learning environment by:

- Establishing a culture of school pride and high expectations along with a strong sense of belonging
- Fostering a mutual respect within the school by promoting social equality amongst all students
- Improving student safety by enabling ready identification of students and non-students at school
